

STROKE & TURN JUDGE SATISFACTORY PERFORMANCE METRICS:

Training path for new Stroke & Turn Judges:

- Online courses: "Foundations of Officiating" and "Stroke and Turn Certification Course" provided by USA Swimming University
- Sessions to Certify: 4 on-deck training sessions over at least 2 meets
- Evaluations to Certify: 1 certifier (required) + 1 self (recommended)
- Certifier Qualifications: N2 or N3 ST -or- LSC Referee -or- Officials Committee ST

	Description	NEEDS IMPROVEMENT (1)	MEETS CRITERIA (2) <i>Must receive at least a 2 for each criteria to pass</i>	EXCEEDS CRITERIA (3)
1	Butterfly	Does not understand or apply the rules and interpretations for the butterfly.	Understands most of the rules and interpretations for the start, stroke, kick, turn, and finish for butterfly.	Applies all of the rules and interpretations for the start, stroke, kick, turn, and finish for butterfly.
2	Backstroke	Does not understand or apply the rules and interpretations for the backstroke.	Understands most of the rules and interpretations for the start, stroke, kick, turn, and finish for backstroke.	Applies all of the rules and interpretations for the start, stroke, kick, turn, and finish for backstroke.
3	Breaststroke	Does not understand or apply the rules and interpretations for the breaststroke.	Understands most of the rules and interpretations for the start, stroke, kick, turn, and finish for breaststroke.	Applies all of the rules and interpretations for the start, stroke, kick, turn, and finish for breaststroke.
4	Freestyle	Does not understand or apply the rules and interpretations for the freestyle.	Understands most of the rules and interpretations for the start, stroke, kick, turn, and finish for freestyle.	Applies all of the rules and interpretations for the start, stroke, kick, turn, and finish for freestyle.
5	Relay Rules	Does not understand or apply the rules and interpretations for relays.	Understands most of the rules and interpretations for relays.	Applies all of the rules and interpretations for relays.
6	Medley Rules	Does not understand or apply the rules and interpretations for the individual medley.	Understands most of the rules and interpretations for the individual medley and medley relay.	Applies all of the rules and interpretations for the individual medley and medley relay.
7	Protocol Judging Turns	Does not understand proper Turn/Finish positioning protocol. Unclear on jurisdiction or does not divide attention fairly among all assigned lanes.	Understands proper Turn/Finish positioning protocol for start, turn and finish for all stroke disciplines. Understands jurisdiction per meet briefing and gives equal attention to all lanes with few exceptions.	Demonstrates proper Turn/Finish positioning protocol for start, turn and finish for all stroke disciplines. Understands jurisdiction per meet briefing and Meet Referees instructions. Gives equal attention to all lanes, even those that are empty.
8	Protocol Walking Stroke	Does not follow proper stroke positioning protocol for all or some stroke disciplines. Does not understand lead/lag protocol.	Understands proper stroke positioning protocol for all stroke disciplines with minimal guidance. Has a basic understanding of the positions when using lead/lag protocol and understands jurisdiction per meet briefing.	Demonstrates proper stroke positioning protocol for all stroke disciplines. Understands and demonstrates proper positions when using lead/lag protocol and understands jurisdiction per meet briefing.
9	Relay Take-Off	Cannot demonstrate or describe proper protocol for judging relay take-offs, including positioning, ballot completion and (minimal) communication.	Understands proper relay take-off judging protocol, including positioning, ballot completion and communication.	Demonstrates proper relay take-off judging protocol, including positioning, ballot completion and communication.
10	DQ Judgement	Is hesitant to make reasonably obvious calls, or "over-officiates" not giving the benefit of doubt to the swimmer.	Is able to make calls when appropriate and also understands when a call is not appropriate.	Is comfortable making calls when appropriate and exhibits above-average judgement for when a call is not appropriate.
11	DQ Process	Fails to raise hand when making a call or fails to continue monitoring jurisdiction while hand raised.	When making a call, raises hand with open palm out while continuing to monitor jurisdiction.	When making a call, raises hand with open palm out, looking for eye contact with a DR or CJ, while continuing to monitor jurisdiction.
