## Para Swim Meet Option (instead of Age Group Zones) Proposal

To: Jessica Evans <registration@stswim.org>

After speaking with the para swimmer family on our team (Aliya Sokora), the Age Group Southern Zone meet feels overwhelming to her considering the speed and small number of other para swimmers attending. She currently has A-AA Times based on the standards for her disability (single arm amputee).

I'd like to propose taking our para swimmers to the Jimi Flowers Swim Meet, designed for the para swimming community, instead of Southern Zones this summer, Jul 23, 2026 - Jul 25, 2026. It is part of the Para Open Series and will be held in Colorado Springs, CO, USA at the United States Olympic & Paralympic Training Center

Here is the meet packet from last year:

I would propose we use a portion of the DICE budget to fund a coach to go with the athletes and that they get the same financial support as the kids going to AGE Group Zones (paying the same amount to attend and the rest covered by the LSC).

Can you add this to the next meeting's agenda?
